General Terms and Conditions

GENERAL: The acceptance of this contract includes the acceptance of the following terms and conditions.

ORDER: Only written orders under the signature of responsible Officer of our Company will be valid and binding. Verbal instructions and understandings, unless confirmed in writing subsequently, will not be admissible.

CONFIRMATION: It is necessary that all our orders must be confirmed and accepted by you in writing. Our orders shall be liable to withdrawal in the absence of confirmation within 2 days. Deemed Acceptance after 2 working Days. No deviation in price, quantity and terms of payment, is permissible without our prior consent in writing. Supply of goods against this order in full or part shall be deemed as unconditional acceptance of this order and its term & conditions. The company reserves the right to withdraw / cancel the order before the confirmation of acceptance of the order by the supplier.

PRICES: Prices mentioned in this order are the prices at which we have agreed to buy the goods. The agreed prices are valid throughout the period of this order. Please note that no escalation in the agreed price is binding on us without specific agreement and acceptance in writing, not withstanding anything that may be mentioned in your terms of acceptance of order. Taxes and duties applicable at the time of delivery shall apply.

DELIVERY: Please note that delivery according to schedule is the essence of our order and we reserve the absolute right to cancel the order and demand compensation for loss or damage consequent upon failure on your part to fulfill the terms and conditions of the order. Delivery, however, is subject to usual force majeure clause. 2% per week discount upon late Delivery.

ANNUAL ORDERS: The quantity ordered is the approximate, estimated as per our requirement during the period of one year. The estimation has been made taking into account of the demand/market situation and the process leadtime discussed and agreed. The quantity being approximate is, therefore, subject to changes, which shall be binding on you. You are requested to note that we are not liable to accept the full quantity mentioned in this order, in case our estimates are revised based on the factors mentioned above. Consequently, we are also not liable to make any payment or any compensation to you for the quantities not actually supplied by you and accepted by us as per the delivery schedule.

If, due to revision of the estimated requirements we do not indicate all the quantities to be supplied to us as per delivery schedule, the balance quantity at the end of the Financial year will automatically be deemed to have been deleted from the total order quantity.

ADVICE OF DISPATCH: It is to be ensured that the relevant documents such as delivery note, Duplicate for Transporter invoice, etc., should accompany the goods. These documents are required to be presented to the concerned authorities as and when needed and they should be handed over to us while delivering the goods. Despatches by Road should be through our approved carriers, deviations, if any, have to be specifically confirmed by us.

GOODS CONSIGNMENT NOTE: All Railway/Lorry receipts must be made in the name of AMIDC Automation Technologies Private Limited as the case may be and not to 'S E L F'. The Duplicate copy of invoice (Transporter's Copy) should accompany the consignment along with other relevant documents.

ACCEPTANCE OF GOODS: The acceptance of goods is subject to our inspections after arrival of the goods at our works unless otherwise specified in the order.

TITLE IN THE GOODS: The title of the goods will rest with us only after our acceptance of the goods upon inspection at our works.

INVOICES: Invoices, in duplicate, should be addressed to AMIDC Automation Technologies Pvt Ltd., Bangalore as the case may be and original invoices be sent along with the goods. Invoices must strictly confirm to the description of our orders and must bear our order nos, date and number of items of each order.

TERMS OF PAYMENT: Our standard clause is that the Payment will be made after the goods have been received and accepted but not later than 60 days from the date of receipt of the goods unless otherwise agreed specifically in our order.

All the registered suppliers should file their GST1 within the due dates and all the transactions between us should reflect in GSTR2A. If any liability arises due to not reflecting the input tax credit in our GSTR2A, same will be recovered from suppliers. All the suppliers are advised to pay the monthly GST payment through GST3B.

WARRANTY: The Product supplied, under any Purchase Order by the Supplier shall be guaranteed against design, manufacturing and functional aspects for a period of 24 months from the date of supply of the Products unless otherwise mutually agreed. Acceptance of goods by us is subject to inspection. The supplier is liable for defects of the goods or the performance for the duration of warranty and supplier is responsible for replacement of defective parts for any defects without any charges whatsoever during the warranty period. In case of tools/accessories, the full value should be reimbursed / replacement made, if the tools fail prematurely.

INSURANCE SCOPE OF VENDOR AS PER NEGOTATION: Please furnish the details such as Purchase Order reference, RR reference, Lorry Receipt Note No., Nature of packing, Number of cases, gross wt. Value of the goods etc., IMMEDIATELY on DESPATCH to this office to take up INSURANCE. In case of goods sent by Regd. Post, the Regd. Parcel No. Should be furnished to us with a packing slip then action will be taken to insure the goods. This procedure will be adopted unless specifically advised by us to the contrary.

REJECTIONS: The materials if not accepted by our Inspection Department, shall be removed by the suppliers at their own expense within a period of 7 days from the date of receipt by our inspection report. If so desired, we shall arrange to despatch the material provided we receive instructions for doing so within the above mentioned period of 7 days. Such despatches shall be at the suppliers risk and all expenses towards packing forwarding, freight etc. Shall be 5% Demerage weekly to their account. If however the material is not removed or we do not receive instructions, for its disposal within the period of 7 days mentioned above, the material will be with us at the supplier's risk. We reserve the right to dispose the material and claim all expenses incurred by us for storage of the materials beyond 7 days. If these materials are despatched, all the expenses incurred by us in respect of despatch will be recoverable from the suppliers.

WORK CARRIED OUT IN OUR FACTORY BY THE SUPPLIER'S REPRESENTATIVE ETC.: Work carried out in our Factory by the supplier's representatives, Agents or employees of the suppliers who in pursuance of the contract have to work in as works will be subject to general works order existing in the works, The suppliers will have to make his own arrangements for lifting tackles, tools safely equipment, apparel etc., That may be necessary for execution of work The company shall not be liable for any accidents which may be caused to any of the supplier's personnel. The supplier shall be responsible for all damages to any property/arising out of or incidental to the negligent or defective carrying out of such work. The supplier shall also indemnify the Company in respect of any costs, charges or expenses arising out of any claim of proceedings. ESIC Payment Confirmation Prior to worker Coming in Factory.

MISCONDUCT/INFECTIOUS DISEASES: If any of your employees employed in connection with the purpose of this contract is found guilty or any misconduct in or in the vicinity of the factory or be found to suffer from any infectious disease such employees in the factory or otherwise in connection with the purpose of this contract may forbid any such employees to remain in or return to the factory.

You will be wholly responsible for strict compliance of safety regulations, safe methods of working and proper use of safety equivalent by your employees/representatives/agents/persons engaged by you to do any work (pursuance of this contract) under the Factories Act Rules and other similar endowment/company's/ safely regulations if any and also be liable to answer the concerned Government authorities in case of any violation(s).

You will issue such instructions/guidelines and/or obtain such undertaking from the persons (as stated above) as may be necessary, for this purpose. If any of the said persons is found not adhering to the safety regulations, he shall be become liable for being withdrawn from the work. In such a case you will have to make alternative arrangements immediately. In the event of failure on your part to do so the company reserves its right not to allow such person(s) to enter the factory premises forthwith and take such further actions as it deems fit.

LEGISLATION: You will be responsible for fulfilling all obligations arising out of the relevant labour legislations like Factories Act, EPF & MP Act, Child Labour (P&R) Act, ESI Act, Payment of Wages Act, Contract Labour (Regulation & Abolition) Act, Work men's Compensation Act, Minimum Wages Act, Payment of Gratuity Act, etc., Or any other law or order that may be issued from time to time to meet the obligations arising out of the endowments applicable to you will be liable to reimburse the Company all amounts paid and expenditure incurred by it in this behalf.

SAMPLES DRAWINGS ETC.: All particulars furnished by the company to the suppliers such as samples, drawings models etc, Shall be returned to the company free of charge immediately on execution of the order. Under no circumstances must these be shown to third parties. Product or components made to the company's drawings models etc., are based on confidential details supplied or with our tools or with tools based on our information must not be supplied by the supplier to the third parties or otherwise used by the supplier for gain. Any losses incurred by us in this regard will be recoverable from the suppliers. This equality applies to our detailed orders.

DISPUTES: Any disputes or difference arising out of this contract shall be referred to courts of competent jurisdiction in Bangalore only.

FORCE MAJEURE: The duties and obligations of both supplier & ATI materials shall be suspended during such time as performance by either party is prevented or impeded by major riots, civil commotion, rebellion, Governmental action, war, acts of God beyond the control of the concerned party which could not have been foreseen or avoided by the exercise of due diligence and so it becomes impossible of performance.

RAW MATERIALS: Where raw material is provided by us, the same should be collected from our stores. Proportionate replacement cost of such raw materials towards Rection/short supplies will be debited to your account. The raw materials/parts will remain our property until the value there of debited to your accounts has been adjusted in full against the suppliers made by you to us. You shall not hypothecate/pledge the raw materials/ parts or create any other charge there on you shall not use the raw materials/parts for any purpose other than for manufacturing items ordered by us. The raw materials has to be insured by the supplier to a value 25% in excess of the existing market value. The supplier will have to submit a statement showing stocks lying at his premises at the end of each month and shall reconcile the same immediately thereafter with our records.

Any dies/tools machines supplied by us for purpose of manufacture of component to supply to us should be properly maintained and will remain our property.

If the goods are intended to be processed under technique and conditions different from the technique and conditions under which are processed e.g., Repair/modification to an existing die, change in the source of raw materials, introduction of new patterns etc., should be communicated to us by the supplier and our approval obtained before he new technique and conditions are adopted.

In case of orders for job work as per Government Guidelines from time to time invoice value % will be deducted and remitted to Government as per section 194C of Income Tax Act where the value of each order exceeds RS. 35,000/-or as amendment from time to time. Jobworker has to submit the ESI registration certificate and submit monthly ESI returns as a proof of compliance implied. Those job worker who had not registered under ESI act, we shall deduct 6.5% on the value of services rendered to us.

The supplier shall not, without the written consent of the company advertise or announce that, they supplies goods to our company.

Duly authorised representative of our company shall be allowed to inspect materials ordered at any stage of manufacture.

Any variation of the conditions contained in the order is subject to prior approval of the company.
